WANTED—One hundred men and women to become Charter Members of Joy Bible Class, No. 164. (Charter to be issued before February I. 1916). Class meets every Sunday morning at the First Baptist Church, 16th and O streets N. W., at 9:30 a. m. Also meets at sundry times and places during the week. The charter will be issued by authority of the court, and every charter member has the privilege of signing the same, ep-joying all the advantages of participating in the work of the organization. Earnest Christian men and women who have the love of God and their fellow-men in their hearts, are especially desired. And person, however, of good moral character, who desires to co-operate with the organization, will be welcome. Stragglers, lame ducks, and slow coaches are not desired as members, but will always be welcome as visitors. We want them to catch the spirit of the class—then wake up to the real joy of doing things.

This is a new sort of an organization, a new sort of a move whose good influences are gradually being felt from one end of this bright land to the other.

Should this invitation interest you, come, and come on time, and see with your own eyes the status of affairs.

May God bless you in this and whatever line of useful activities you may be engaged.
